**Another option: Tax Free IRA gifts:** Tax Free Direct payments from IRA's: For those 70.5 or older it is possible to make tax-favorable gifts from IRA accounts. You may have the funds transferred directly from IRA's to church free from federal income tax. There may also be state income tax savings for those 70.5 and older. Those who have begun taking their Required Minimum Distribution (RMD) at age 73 can give them directly to the church and they will count toward the RMD for that year. Contact your tax advisor for more information.
